2024 CHRISTMAS OFFERING

God's love

visible

Thank you for your generous support! 100% of the Christmas Offering stays in our region to support our shared ministries!

Outdoor Ministries serves as an extension of the local congregations of the Florida Disciples Regional Church provide opportunities for people of all ages to experience the grace and love of God through Jesus Christ within a natural setting that continues to be blessed by the Holy Spirit. Our mission is to encourage all people to grow in their faith formation by engaging in age-appropriate activities that include Biblical exploration, recreation, singing, worship, relaxation, community-building, crafts, and developing an awareness of social justice issues.

At camp, children grow, explore and learn about God, themselves, and the people and world around them, and they have fun throughout the entire process. We strongly believe that camp is one of the places where God's love is made visible every day.

This Summer we will be exploring "Another Way". Jesus often confronted the world around him with another way of being. And by his example, we are reminded that God always invites us to reimagine who we are and how we do things. Whether we are addressing unfair rules or dreaming of a time when all people belong, we know that God calls us to do a new thing and faithfully forge another way.

I hope you'll make plans for you and your family members to join us at one of the many different camp opportunities happening at the Retreat in 2025.
